

Eastnine supports Ukraine

Eastnine condemns Russia's invasion of Ukraine and shows its support for Ukraine through, among other things, a donation of EUR 25,000 to the Red Cross.

"We at Eastnine are appalled and shaken by the ongoing invasion of Ukraine. This is inhuman, illogical, and taken from a parallel reality without regard to human suffering as well as current legislation and international agreements. We, Swedes, Russians, Lithuanians, and Latvians who work at Eastnine, stand together with Ukraine and show it partly through financial assistance, partly by being prepared to contribute with other humanitarian support efforts", says Kestutis Sasnauskas, Eastnine's CEO.

Eastnine has donated EUR 25,000 to the Lithuanian Red Cross for humanitarian aid in Ukraine and is open to assist in other ways with the call: If you run organized humanitarian aid operations from Vilnius or Riga, contact us at info@eastnine.lt (Lithuania) and info@eastnine.lv (Latvia) to discuss your needs.
