

Eastnine appoints Julia Racewicz-Lewandowska as Country Manager in Poland

Eastnine has appointed Julia Racewicz-Lewandowska as Country Manager for Poland operations. She will assume her role by 1 September 2025 at the latest and will join Eastnine's Executive management team.

“We are very pleased to welcome Julia to Eastnine and look forward to building on Eastnine's presence in Poland together. With our own local organisation, our ambition is to deliver a customer experience that exceeds our tenants' expectations”, says Eastnine's CEO Kestutis Sasnauskas.

Julia Racewicz-Lewandowska brings extensive experience from the property industry, most recently serving as Head of Asset Management at Savills Investment Management in Poland. Her experience in leasing and asset management, along with the deep understanding of the Polish real estate market will be instrumental in driving Eastnine's growth and operations in the country.

“I am honoured to join Eastnine and lead its operations in Poland. Eastnine's commitment to sustainable and high-quality office spaces aligns with my professional values, and I look forward to contributing to the company's continued success in the Polish market”, says Julia Racewicz-Lewandowska.

Eastnine's portfolio in Poland comprises three properties totalling approximately 128,000 sq.m. This includes two properties in Poznan - Nowy Rynek D and Nowy Rynek E - totalling nearly 68,000 sq.m, and Warsaw Unit in Warsaw, encompassing about 60,000 sq.m. These assets represent over 50 per cent of Eastnine's total property portfolio, underscoring the strategic importance of the Polish market to the company.

The appointment of a Country Manager reflects Eastnine's commitment to strengthening its presence in Poland and delivering exceptional value to its tenants through localized management and operations.
